PLEASE! 

with Miss Anderson:

Reading: We read that there is more than one way to cook a turkey this week. Students will have until 11/26 to finish up their questions. **Challenge:** Send in a picture of your family's turkey (via Dojo) and we will try to guess whose turkey it is!!

Language Arts: In our grammar study, we will be beginning a study of commas!

Real World Application: Try to point out correct and incorrect comma usage to your child in the coming weeks. E.g. Facebook posts, billboards, commercials, signs, etc. No word study for Thanksgiving week! Dates for Word Study 2-5 are below.

- Flashcards (18pts) due **Thurs** 12/5
- Quiz (13 pts) on **Friday** 12/6

Writing: We read the book *Memoirs of a Goldfish* and are spending some time writing in our notebooks to rewrite the story from different point of view.

with Mrs. Eighner:

Math: The kids did a great job on their Unit 3 Multiplication Tests!! I think they're getting the hang of working with expressions this week. Ask them about PEMDAS! We won't be testing over this unit until after Thanksgiving. Remember to tell your child to bring his/her Math Binder home to see what we're doing in class! All of their notes and practice pages should be neatly organized in the appropriate section. Their tests should be in the front of the binder behind the graphs of their progress.

Science: We're going back to Science today and will begin our unit on Living Things & Ecosystems.

Writing: Our 5 paragraph opinion essays are due by the end of the day Friday (11.22)!!

Reminders:

Turn over for Upcoming Dates:

- **Happy Thanksgiving!** No School Wednesday-Friday next week! (No newsletter either!)
- Monday, December 2nd: Our School **Food Drive** begins!
- Monday, December 9th: MFCC **Limo Lunch**
- Tuesday, December 10th: **Dollar Day**- All Around the World Day
- Wednesday, December 18th: **Candy Canes** for Purchase
- Also, don't forget to send in those **Box Tops**!!!

Have a Wonderful Weekend!
